

The Featherstone Academy

15 October 2018

Dear Parent/Carer

BIG REVISION WEEKEND – FRIDAY 26 AND SATURDAY 27 OCTOBER 2018

I am writing to you to inform you of the Big Revision Weekend that is taking place on Friday 26 and Saturday 27 October 2018.

We have spared no expense in obtaining guest speakers, expert help and external caterers to ensure our students are best prepared for the start of their mock exams which begin on Monday 12 November 2018. On both days, students are expected to attend all the sessions with a real desire to learn. The sessions have been designed to be engaging and worthwhile for all abilities so attendance is key.

We are asking students to stay in school from 2.30pm on Friday 26 October 2018 through to 6.00pm. Refreshments will be provided to help support the students through the sessions.

On Saturday morning we would like to invite you, as parents and carers as well as your child, for breakfast in the Academy. This will commence at 9.00am, after which you will be free to go and enjoy the day and the students can begin preparing for their mock exams. Again, plenty of refreshments will be provided for the students as well as a number of fun inflatable activities they may choose to take part in at the end of the day on Saturday as a reward for their hard work throughout the weekend. Saturday's session will finish at 3.00pm providing students with ample time to enjoy the rest of the weekend and half term break.

During the Saturday session students will not be required to wear school uniform.

It is extremely important that students attend these sessions at this crucial time in their lives. This academic year will begin to shape their futures therefore, as always, I am asking for your full support in ensuring your child can attend both sessions.

Key Information

- Students have already received their finalised mock exam timetable.
- Provisional 2019 GCSE Examination timetables will be available at the Year 11 Exam Preparation and Parents Evening on Thursday 18 October 2018, along with key information for individual subjects.

I look forward to your continued support and hope we are all celebrating our students' success throughout their final year at the Academy.

Yours sincerely

Mr W Bush
Head of School
