

The Featherstone Academy

7 January 2020

Dear Parent/Carer

YEAR 7 AND 8 – EXTRA-CURRICULAR ACTIVITY

The Design & Technology department will be introducing an after school club for Years 7 and 8 incorporating arts, crafts and design. We will be starting with the creation of message rocks.

The club will take place on Mondays starting: Monday 13 January 2020 and will take place at the end of the school day from 2.30pm and will finish at 3.30pm.

If your child is interested in joining this activity, please complete the reply slip below and return to the academy as soon as possible. Please note that numbers will be limited to 25 students due to health and safety; we will inform interested students if they have been successful in obtaining a place.

Yours sincerely

Mrs T White
