

The Featherstone Academy

15 October 2019

Dear Parent/Carer

VISIT BY ANDY MCNAB

I am delighted to invite your child to meet and listen to the world famous author Andy McNab CBE at The Featherstone Academy tomorrow afternoon, Wednesday 16 October 2019.

Andy will lead a presentation for our students talking about his experiences, the importance of resilience and hard work which have led to his highly decorated Military career and his success as a world renowned author.

Andy will arrive at the academy at 2.00pm in the afternoon and be speaking to all students in Years 10 and 11. His presentation will last approximately an hour as he will provide an opportunity for students to ask questions and sign books.

The session will finish no later than 3.15pm therefore students will be leaving the academy later than normal. I apologise for the short notice we are giving our students, parents and carers of this event, however this is an amazing opportunity for them to listen to and experience a presentation from such a well-known and respected figure.

Thank you for your continued support.

Yours sincerely

Mr W Bush
Head of School
