1 March 2021

Dear Parent / Carer

Year 11 Mock Examinations w/c Monday 15 March 2021

Please find below a copy of the mock examinations your child will be completing on the 15th March. The examinations will take place in their normal classrooms under the supervision of their subject teachers.

These examinations will form part of the evidence we use to submit Centre Assessed Grades (CAG's) for your child in June 2021. We will also use the data collected to identify gaps in their understanding and then use this information to ensure we can support them fully over the next few months to make as much progress as possible towards their target grade. The support we offer will be in the form of in class and out of class intervention, a Period 7 and Period 8 timetable and tutoring sessions if required.

It is therefore incredibly important that your child attends live lessons next week and returns to school from Monday 8 March 2021 to ensure they can be fully prepared by their subject teachers through revision lessons and activities.
