

The Featherstone Academy

10 September 2020

Dear Students, Parents and Carers

YEAR 11 – CLASS OF 2020

It is with a heavy heart that I have had to make the decision to cancel our Year 11 – Class of 2020 Prom.

It had been our intention to have the prom take place early in October at the Kings Croft Hotel. However, due to the new government restrictions being imposed from Monday 14 September, we feel it will be impossible for this to take place now.

I want to apologise to all Year 11 students, parents and carers, as I know this was an event that we were all looking forward to and celebrating your wonderful success.

We are so proud of you and all you have achieved during your time at The Featherstone Academy.

It is our intention to organise a formal celebration within the academy where students will be presented with their official examination certificates and we can celebrate your successes in a formal manner. This event has been scheduled to take place in early December but, again, will be dependent on government guidance.

We wish you all a safe and successful start to life after The Featherstone Academy and promise to keep you posted with any planned future events.

Kind regards

Mr Wesley Bush
Head of School
